What We Do

At the heart of Junior League of Phoenix's mission is improving our community. For more than 85 years, our uniquely trained volunteers have continued to positively impact the people in need in our local community.

Our Focus Area is Fighting Hunger in the Greater Phoenix Community.

Our Community Programs:

Kids in the Kitchen is Junior League of Phoenix's signature program helping to empower youth to adopt healthy habits and reverse the growth of childhood obesity in Maricopa County.

Raising Our Children's Knowledge by Educating Through Science (R.O.C.K.E.T.S) is a theme-based program that promotes early childhood development of science skills.

JLP partners with the City of Phoenix on an event that combines food and health demos, wellness events, and medical services, including child immunizations, wellness checks, dental cleanings, ultrasounds, mammograms and more.

FEED. CLOTHE. HOUSE. HEAL.

JLP is partnering with The Society of St. Vincent de Paul on a program focused on families who have 3 primary challenges: low/no access to healthy food, a family history or new diagnosis of diabetes/prediabetes, and low/no knowledge of sustainable wellness practices.

JLP is partnering with Harvest Compassion Center to help open and maintain a 4th center location. JLP funds will provide new HCC equipment & supplies for the Kids Corner, as well as food to sustain the center.

Why Partner With Us?

Junior League of Phoenix is a dedicated and hard-working community of women. We are passionate about developing long-term initiatives and programs that meet the ever-changing needs of our community.

Our passion for voluntarism is featured through a strong commitment to focused and high quality training that provides volunteers with irreplaceable knowledge and expertise. This helps within our own nonprofit community programs and is invaluable to the many nonprofits that JLP members go on to engage with as volunteer leaders.

"Junior League of Phoenix is the foremost community leader in Greater Phoenix. The League's long-term commitment supports the most critical areas of need. Most major community projects for the past three decades have been researched, initiated, funded, and created by Junior League of Phoenix. What an awesome group of women!"

- Betsey Bayless, Director of AZ Department of Administration and Arizona Secretary of State (1997 - 2002); Sustainer member, Junior League of Phoenix
