

Since 1937, the Junior League of Phoenix has hosted the largest indoor garage sale in Arizona. The annual event engages 3,000+ community members and raises more than \$125,000 to benefit local community programs and the training and development of our members. As JLP's largest fundraiser, the Rummage Sale has been providing value to bargain hunters who appreciate the thrill of finding new, almost-new, and gently-used treasures for a deal, all in support of a great cause.

For more information on the event, please visit our [website](#).
